

Fisser Flieger. Skyswing.

Every Friday from 9am to 4pm
(not in operation from Sa to Thur).

Fisser Flieger

Put on your flying jacket. Strap yourself in. On your marks, get set, go! It starts with a buzz of excitement, a real adrenaline rush. Then suddenly everything is going at top speed. The Fisser Flieger is a flying machine that resembles a hang glider. It carries four passengers, accelerates very quickly and then races across the Möseralm at over 80 km/h, up to 47 metres above the ground. This is a free-flying feeling not to be missed!

Skyswing

The moment that could become addictive: For a fantastic moment when centrifugal force and gravity are suspended, your body feels weightless. The Skyswing has space for up to 8 people at one time and can be ridden at 3 different levels.
