

## Sommer-Funpark. Fiss.

The Summer-Funpark Fiss will keep the whole family entertained. The three main attractions offer plenty of fun and pure adrenaline: the „Fisser Flitzer“, the „Fisser Flieger“ and the „Skyswing“. There is also a huge jump tower where you can jump onto an inflatable air-bag and can do somersaults and all sorts of tricks. This attraction is thirteen metres high. You can jump from two platforms at different heights (two and five metres); plenty of action guaranteed

Your children can splash around in the cool water play area or swing, slide, bounce or balance in the various playgrounds. Go for a leisurely walk along the Fisser Gonde Nature Trail or through our petting zoo. Walking the circular barefoot trail, which includes a Kneipp therapy pool, is beneficial to your health.

Enjoy the sun on the large terrace of the Möseralm Restaurant. Meanwhile, your kids can romp around in the XXL sandbox or the bouncy castle, ride the LIKEaBIKES over the various obstacles and steep curves around the sandboxes, or occupy themselves with the new wooden ball track.

Younger children are also bound to enjoy driving the electric cars around the Solarbar or having fun on our tube run. Trampoline and slacklines are particularly recommended for teenagers.
